WELCOME FROM 100 Women in Finance CEO

It is my pleasure to welcome you to our 24th annual NYC gala! Thank you for being here with us tonight and being a part of our thriving global community that believes in making the financial sector a true meritocracy.

Tonight, we are so proud to recognize Jody Gunderson for her accomplishments and commitment to uplifting women in our industry. Jody embodies the type of leader who builds inclusive cultures, where everyone thrives.

What began as a grassroots movement has evolved into a thriving global network, active in 33 locations worldwide and powered by more than 600 volunteers who curate more than 250 in-person events each year. The dedication of our volunteers is matched only by the commitment of our community. Both fuel our mission and create spaces where women connect, lead, and advance.

The evidence is clear: diverse teams deliver better outcomes, and lasting change depends on how we work together going forward. Tonight's gala is a testament to what we can achieve when we align purpose with action.

Enjoy this evening of connection and celebration. For 24 years, 100 Women in Finance has created space where women's voices matter. Together, we are redefining what leadership looks like and ensuring that the future of finance is inclusive, equitable, and stronger than ever.

In Partnership,

Rehana Farrell
