TASTING NOTES

Tonight, as we celebrate 25 extraordinary years of empowering women and shaping the future of the global financial sector, our journey is mirrored not only in the company we keep, but in what we hold in our glasses. Curated by our wine director, Florian Beaubouchez from Liber Wines, tonight's wine selection is more than an accompaniment to dinner—it is a purposeful narrative honouring female leadership, historic resilience, and ecological innovation.

LIBER WINES

LIBER is an independent, privately-owned company dedicated to crafted wines, champagne, and spirits. Our activities are structured around four divisions, each focused on specific customer needs: Agency Distribution, Sommelier Service, Distribution Consulting, and Open Market Sourcing.

TASTING NOTES

LIBER WINES

Honouring a Visionary Pioneer: During our champagne reception, we open a bottle of history with the *2013 Cuvée Elisabeth Salmon Rosé* by Billecart-Salmon. This exceptional vintage marks the 25th anniversary of the cuvée's inception in 1988—a poetic parallel to our own 25th milestone. It honours Elisabeth Salmon, who co-founded the Champagne House in 1818. As a true visionary in a male-dominated era, her spirit of independence and precision set a benchmark that continues to inspire modern pioneers. During the dinner, guests will also be served a custom-engraved bottle of Billecart-Salmon Le Sous-Bois, deeply structured through artisanal barrel vinification to reflect the solid foundations built over our quarter-century legacy.

The Master Storyteller and the Rescue of a Legend: For our white course, we celebrate an icon of critical research and storytelling: Master of Wine Jancis Robinson. In 1985, her landmark documentation of the dwindling Viognier grape saved the Condrieu appellation from financial collapse. Tonight's *Yves Cuilleron Condrieu Magnum (2024)* commemorates her immense impact as the world's most influential female wine writer.

Matriarchs of Ecology and Natural Innovation: For our red course, we turn to the exceptional legacy of female leadership at Château Durfort-Vivens. Guided by Claire Villars-Lurton—whose mother, Bernadette Villars, was one of the very first female estate directors in Bordeaux's Grand Cru Classé history—the estate represents a masterclass in biodynamic farming and low-intervention winemaking. Tonight, we experience *La Nature de Durfort-Vivens (2020)*: a pure, zero-SO_2 cuvée aged in amphorae that represents the absolute forefront of sustainable, eco-conscious viticulture.

Tonight, every pour is a tribute to the women who broke barriers, defined industries, and paved the way for generations to come.

Please raise your glasses, toast to 25 years of progress, and enjoy the evening.

Champagne Billecart-Salmon Le Reserve NV (served in Magnum)

Champagne - FRANCE

Formulation: 43% Meunier, Vallée de la Marne and the southern slopes of Epernay - 35% Chardonnay, the best Crus in Champagne - 37% Pinot Noir, Montagne de Reims and the Grande Vallée de la Marne.

Over 55% reserve wines
Ageing on lees: 50 month (over 4 years)

Billecart-Salmon is one of the few Champagne houses to be owned and managed by the original family. Today, Mathieu Roland-Billecart continues the family tradition, hand-crafting delicate and elegant Champagnes. The newly released cuvee "Le Réserve" is a light, fine and balanced champagne. It is a blend comprising 15 vintages sourced from the best sites in the Champagne region. The subtle pleasure of its delicate texture is complemented by a fine vinosity and concentrated aromatics.

This Champagne captivates with its harmonious blend of enticing flavors (apple, crisp pear, and citrus) and roasted notes.

Billecart-Salmon Cuvee Elisabeth Salmon Rose 2013 - 25 years anniversary (Vintage 1988 first release)

Champagne - FRANCE

Formulation: 100% Grand Cru and Premier Cru: 47% Chardonnay from Oger, Cramant and Mesnil-sur-Oger - 53% Pinot Noir from Mareuil-sur-Aÿ, Aÿ and Bouzy with Pinot Noir is vinified as red wine with grapes from old vines in Mareuil-sur-Aÿ.

Aged on lees: 115 months (9.5 years)

The heart of the narrative belongs to Elisabeth Salmon, who co-founded the legendary Champagne House in 1818. As a true trailblazer of her industry, her spirit of independence, brilliance, and precision set a benchmark in a male-dominated era. Centuries later, her profound legacy is kept vibrantly alive, serving as a powerful inspiration for the modern pioneers of the financial world gathered in HK.

To honour this shared milestone, rare bottles of the **Prestige Cuvée Elisabeth Salmon 2013** were flown in from champagne for tonight's occasion. This exceptional 2013 vintage holds a dual significance: it marks exactly the 25th anniversary of the Cuvée's inception in 1988, making it the ultimate, poetic tribute to celebrate the 25th anniversary of 100WF.

TASTING NOTES

LIBER WINES

Billecart-Salmon Le Sous Bois NV (100 Women in Finance 25th Anniversary Edition)

Champagne - FRANCE

Formulation: 43% Grand Cru Chardonnay from the Côte des Blancs 29% Meunier from the right and left bank of the Vallée de la Marne 28% Premier and Grand Cru Pinot Noir from the Montagne de Reims, Aÿ and Mareuil-sur-Aÿ Low-temperature vinification in oak casks. Collection of reserve wines dating back to 2006.

Ageing on lees: 5 years

To mark a quarter-century of empowering women across the global financial sector, we propose honouring 100 Women in Finance with a truly exceptional label: a personalized, custom-engraved bottle of **Billecart-Salmon Le Sous-Bois Champagne**, individually etched with its 25th-anniversary logo.

Artisanal Craftsmanship: Entirely vinified in oak barrels (sous bois means "under the wood"), this cuvée represents deep heritage, structure, and balance—mirroring the solid, enduring foundation 100 Women in Finance has built over 25 years.

TASTING NOTES

LIBER WINES

Yves Cuilleron Condrieu La Petite Cote 2024 WHITE (served in Magnum)

Rhone - FRANCE

Formulation: 100% Viognier

An homage to **Jancis Robinson: The Master Storyteller Who Chronicled the Extinction**.

If the story of Viognier was told to you through wine books, television, or a tasting event, it likely came from Master of Wine Jancis Robinson, the world's most influential female wine writer.

In 1985, Robinson published research documenting that only 32 hectares of Viognier were left in the entire world.

Her writing brought international attention to the grape, sparking a global interest that helped rescue the Condrieu appellation from financial collapse.

This cuvee from Yves Cuilleron offers an exuberant nose of ripe fruits: peach, apricot, quince and citrus. All of this is completed by sweet flowers touch (lilacs, rose and violet).

TASTING NOTES

LIBER WINES

Chateau Durfort Vivens La Nature de Durfort Vivens Margaux 2020 RED

Bordeaux – France

Formulation: 100% Cabernet Sauvignon

Cuvée without any added sulfites, certified organic, aged 14 months in terracotta amphorae TAVA
In a perpetual quest for natural balance, the domaine wanted to go even further by making a cuvee without any addition of sulfites. Back to basics, back to authenticity.

A Legacy of Female Winemaking: Claire's mother, Bernadette Villars, was a pioneer—one of the very first female estate directors in Bordeaux's Grand Cru Classé history. Following her parents' tragic passing in 1992, Claire stepped up to take over her family's historic estates. Claire became a fierce champion of biodynamics, agroforestry, and low-intervention winemaking in Bordeaux.

Together, Claire and Gonzague transformed their combined estates into the largest biodynamically farmed vineyard footprint in the region.

REGISTRATION AND COCKTAIL RECEPTION

ANDREW D'AZEVEDO

As far back as Andrew D'Azevedo can remember, music has always been a fundamental part of life having begun piano lessons at the age of five with the Yamaha Music School in Sydney, Australia.

By 16, he had achieved his AYMF teaching diploma from Yamaha and A.Mus.A. and L.Mus.A (Dist.) diplomas in piano, certificates awarded by examination to outstanding candidates in the field of musical performance. He was awarded consecutive scholarships with the Sydney Conservatorium's Access Centre (now Open Academy) and learnt with Dutch-Australian classical pianist Gerard Willems. Andrew also picked up cello, playing as part of various chamber groups, the Sydney University Symphony Orchestra and University of Warwick Symphony Orchestra.

He completed final year secondary school exams in music (HSC), receiving a 4th placing in NSW, Australia when he was 15 years old, and was selected to perform at the Sydney Opera House in February 2005. Inspired by composers such as Claude Debussy, Frédéric Chopin and Sergei Rachmaninoff, Andrew has also composed and performed for numerous composition concerts internationally since the age of 8 in Australia, Taiwan and Singapore.

Andrew is currently an M&A Tax Partner with PwC Mainland China and Hong Kong. Even through work, Andrew has been able to involve himself in music, having been appointed as the Musical Director of PwC's production of "Peter Pan" in 2016, a CSR initiative to provide disadvantaged children from local schools and charities an opportunity to experience performing arts. He has been appointed to be a judge, master of ceremonies and performer at each of PwC's Hong Kong annual dinner events since 2014.

MUSICAL ENTERTAINMENT AND DANCING

CARNIVALE

Carnivale is a high-energy live band bringing a fresh Latin twist to some of the world's best-known pop and party music.

Founded by Dominican musician, musical director and producer Jordie Guzman-Allison, Carnivale was born from more than two decades of professional experience on stages around the world. Jordie has toured internationally with some of Asia's biggest artists, including Coco Lee and Justin Lo, performing on multiple world tours and at major arenas and stadiums across Asia and beyond.

Carnivale brings together musicians from the Dominican Republic, Venezuela, West Africa, Mexico, the Philippines and Hong Kong, combining different musical backgrounds with a shared love for great grooves, live music and a good party.

The band's repertoire moves easily between familiar pop favourites reworked with a Latin touch and authentic Latin styles including salsa, cha-cha, reggaeton and more. The result is a set that feels familiar enough for everyone to sing and dance along to, while still carrying the rhythm, energy and flavour of a Latin band.

Whether it's a full Latin set or well-known hits with a Carnivale spin, the focus is simple: great musicianship, great energy and keeping the dance floor moving.

LIVE PAINTING PERFORMANCE

ERIKA LAU

Erika Lau (b. 2003, Hong Kong) is an emerging artist working primarily in ink and acrylic. Having studied Lingnan Chinese painting under Master Ching Yuan Lo (盧清遠), she combines classical brush philosophy with contemporary media. Her art is a candid expression of her emotions, inner energy, and quiet yet resolute perception of the world.

Erika was a finalist at Miss Universe Hong Kong 2025, where she painted a 2 m × 2 m artwork, "The Universe in a Peony", live on stage in just five minutes and won the Fans' Favourite Award. Her work has been featured in various exhibitions, most recently at the Hong Kong Fringe Club, where one of her paintings, "The Charge" 《衝》, was acquired by Mr. Samuel Yung, GBS, JP, Vice Chairman of the Committee on Economic Affairs of the National Committee of the Chinese People's Political Consultative Conference.

Beyond her artistic practice, Erika is an early-career finance professional. Awarded a full scholarship to the University of Hong Kong, she recently graduated with a Bachelor of Business Administration in Finance. She has held internships at Citi, HSBC, MUFG and several hedge funds, and these industry experiences inspire her creative work. For more than four years, Erika has both benefited from and volunteered with 100 Women in Finance. She was a LaunchMe Mentee and JumpStart Program participant in 2022 and is the organisation's APAC Student Representative for 2026. Tonight, she will give a live painting performance on stage, while a separate finished work, "The View" 《瞻》, will be offered in the silent auction to raise funds for the organisation's mission-driven initiatives.
